

ENGLISH (BENG)

BENG 099 Basic Writing 3 Credits

Morris Brown - This course is designed for those freshman whose entrance examination scores show that they need extra work on the fundamentals of English grammar, mechanics, and composition. After earning at least a C in this course and passing the English 101 Entrance Examination, students are ready to begin the ENG 101-102 sequence. See explanation of academic placement in General Education Program.
