

GRADUATE ADMISSIONS CRITERIA

Conditional Admission

Applicants who do not meet the GPA or prerequisite requirements may be “conditionally” admitted to a graduate degree program based upon favorable recommendations by the School Dean and Chairperson of the major academic department. At the time of admission, the Chairperson of the major academic department specifies conditions in writing to remedy deficiencies and advancing to unconditional admission. Graduate students who are conditionally admitted are expected to enroll as full-time students. Upon the completion of nine (9) credits with a minimum cumulative GPA of 3.0, the student will be admitted to unconditional status. Per federal regulations, an international student studying on a nonimmigrant visa must be admitted through regular admission.

Right to Revoke Admission Policy

A disciplinary matter or criminal conviction, whether occurring prior to the time of application, while the application is under review, or after the admission decision has been made, may affect the Committee’s decisions regarding admission or enrollment. Clark Atlanta University reserves the right to revoke admission or enrollment in such circumstances. In addition, because offers of admission and enrollment are based upon a record of academic achievement, CAU reserves the right to revoke admission or enrollment upon receipt of a final high school transcript (or most recent college transcript) reflecting a significant decline in academic performance. Finally, if an application misrepresents any information, for any reason, admission or enrollment maybe revoked at the University’s discretion.

Special Admissions (Non-degree)

Any individual, upon the satisfactory demonstration of appropriate prerequisite courses, training or knowledge may be admitted as a student to take graduate courses for audit or credit independent of a degree program after having received the favorable recommendation from a School Dean and Department Chair. Such individuals may not accumulate more than twelve (12) credit hours as a special student. Courses taken as a non-degree student may be used toward admission with the approval of the Department Chair and School Dean.

Part-Time Applicants

The term “part-time,” as defined by Clark Atlanta University, refers to an graduate student who is regularly enrolled and pursuing a degree from Clark Atlanta University but who registers for fewer than nine (9) credit hours in any given semester or six (6) credit hours during summer sessions, except those students who are engaged in thesis or dissertation research. An applicant seeking admission as a part-time student must meet the same admission requirements as a first-time or a transfer student.

Readmission Applicants

Any student who is not continuously enrolled or who is absent from a regular semester, excluding summer session, must apply for readmission. Former students may secure applications for readmission from the Office of Student Recruitment and Admissions or at the University’s website (www.cau.edu (<http://www.cau.edu>)) at no cost. Requests for readmission must be submitted with supporting materials not later than sixty (60) days prior to the first day of classes of the term for which readmission is sought. Students seeking readmission to the University must satisfy

all prior financial obligations. Students who have attended other colleges during their absence from Clark Atlanta are required to submit official academic transcripts from each institution attended.

Transfer Applicants

Transfer Requirements and Procedures

Students who apply for admission to Clark Atlanta University from another accredited college or university must have achieved a minimum cumulative grade point average of 3.0 on a 4.0 scale and be in good disciplinary standing at the last institution attended. An applicant must submit official academic transcripts from all previously attended post-secondary institutions of higher education.

Limitation on Transfer Credits

Students may receive transfer credits for graduate coursework earned at regionally accredited colleges and universities toward a maximum of 25% of the requirements in a given program of study. However, individual schools or departments may require further restrictions. Courses to be transferred must be reviewed and approved for equivalencies by the Department Chair and the School Dean and must be in alignment with the student’s degree program requirements. Courses completed more than ten (10) years prior to transferring to Clark Atlanta University will not be accepted.

Transient Applicants

An incoming transient student is one who is enrolled at another college and pursues courses at Clark Atlanta University, but receives no credit toward a Clark Atlanta University degree. A student applying for this status must submit an application and transcript for admission, a processing fee, and a statement from the institution to which the credits are to be transferred confirming that this arrangement is acceptable.

Post-Baccalaureate Applicants

Students who possess baccalaureate degrees and desire to pursue course work for teacher certification requirements and those interested in taking courses for personal or professional growth must submit an application for admission. A complete application for post-baccalaureate status includes all of the materials required for admission of transfer students.

Veterans Applicants

Clark Atlanta University is approved by the Georgia Department of Veterans Services (State Approving Agency) for the enrollment of nation’s veterans, veterans with disabilities, active service personnel, reservists, and qualified dependents of deceased veterans (widows, war orphans, etc.) who are eligible for the Veterans Administration (VA) Educational Benefits.

Eligible students must have all admission requirements completed same as those of other applicants for admission to the University and must be fully admitted into a degree program before Enrollment Certification (VA Form 22-1999) can be submitted to the Veterans Administration. International Applicants

Clark Atlanta University encourages students from other countries to apply for admissions into the University for undergraduate and graduate studies. Applicants from other countries may be admitted for either, the fall semester (August), spring semester (January) or summer session (June). In order to ensure ample time for enrollment for a specific term, the application for admission and all supporting documents must be on file by the deadlines established for application to the University for the term for which admission is sought. Applicants from other countries are required to submit documents in English certified by appropriate officials. Clark Atlanta University does not provide financial assistance to international students studying on a nonimmigrant visa who are ineligible for federal student aid. Therefore, prospective students must demonstrate the ability to pay for their educational expenses, processing fees, and other costs associated with application for admission to Clark Atlanta University. Before the University forwards a "Certificate of Eligibility" Form I-20 and other materials, an applicant must provide a Financial Affidavit of Support that demonstrates the student's ability to cover the University's educational expenses for the semester.

International applicants should submit an admissions application with an application fee, drawn on either a U.S. bank or U.S. dollar account. Applicants must also submit official transcripts or mark sheets directly to Clark Atlanta University from all high school(s), preparatory school(s) and/or collegiate institutions attended, including official English translations and U.S. grading equivalents when applicable. In order to process foreign transcripts, you must have your transcript evaluated by World Education Services (WES) or by a NACES member (<https://www.naces.org/members>) organization. International applicants are not required to submit SAT and/or ACT test scores. They may, if they have taken the tests; however, it is not a requirement for admissions into the University. Graduate applicants must have attained a Baccalaureate Degree from a recognized college or university to be considered for graduate admissions. Nonetheless, the University requires a minimum score of 500 on the paper examination or 173 on the computerized examination of the Test of English as a Foreign Language (TOEFL) or the International English Language Test System (IELTS) minimum of 4.5. The TOEFL or the IELTS may be waived for transfer students who have earned a grade of "C" or better in English Composition I and II from an accredited U.S. college or university. The test may also be waived for students from countries where English is the primary language and the medium of instruction.
