

# JOURNALISM

## Journalism

### Student Learning Outcomes

Graduates with a **Concentration in Journalism** will be able to:

1. Apply basic journalistic style writing techniques in the development of documents for various purposes and audiences.
2. Utilize electronic sources, government records, interviews, observations, and more traditional methods such as library references, including almanacs, atlases, and specialized encyclopedias in conducting research.
3. Analyze and apply major legal and ethical implications, considerations, and practices in media writing and presentation.
4. Write and produce multimedia content (podcasts, infographics, transmedia projects) to tell stories.
5. Write using Associated Press guidelines in a variety of traditional and online formats.
6. Write, record (video and audio), and produce content for online news publications.
