ENGLISH, B.A.

Credits: 122 CIP Code: 230101

Program Description

The Bachelor of Arts in English Program offers undergraduate students a varied and rich curriculum with a multicultural approach to teaching literature to include Asian, Africana, Caribbean, and Native American literatures. Students take survey and specialty courses in linguistics and in English, American, and African-American literatures including a variety of colloquia, such as the one on Asian-American literature and are required to take two years of one foreign language, write a senior thesis and pass an English comprehensive examination. The enriched curricular courses prepare students to further their education in graduate and professional schools and to assume careers in public and private sectors, teaching and administration.

Admissions Requirements

Applicants to the Bachelor of Science Degree in English must meet the General Admissions Requirements as published in this Catalog.
