

BIOLOGY, B.S., MINOR IN PUBLIC HEALTH

Program Description

The Bachelor of Science Degree in Biology with a Minor in Public Health prepares students with the fundamental knowledge and principles needed to develop an appreciation for many public health issues that are prevalent in today's society. Graduates with a public health minor are prepared to enter graduate and professional programs in public health.

Admissions Requirements

Applicants to the Bachelor of Science Degree in Biology with a Minor in Public Health must meet the General Admissions Requirements as published in this Catalog.

Student Learning Outcomes

Graduates with a Minor in Public Health will be able to:

1. Demonstrate an understanding of biology at the anatomical, biochemical, physiological, and ecological levels.
2. Communicate mastery of basic biological principles through written research papers and oral presentations.
3. Interpret observations and tests, and analyze a specific hypothesis through completion of individual research experiences.
4. Discuss interrelationships among organisms, including humans and their environments.
5. Articulate key aspects of public health as a field of research and practice.

Degree Requirements

In addition to the General Degree Requirements as published in this Catalog, students pursuing the Bachelor of Science Degree in Biology with a Minor in Public Health must complete all *science courses with minimum final grades of "C"*.

To satisfy degree requirements for the minor in Public Health, students must complete a minimum of eighteen (18) credits: Four (4) core courses (12 credits) offered at Morehouse College and an additional two (2) elective courses (6 credits) to be completed at Clark Atlanta University or at other Atlanta University Center schools.

Interdisciplinary Atlanta University Center (AUC) Elective Courses for Public Health Minor

Code	Title	Hours
Clark Atlanta University Courses		
CBIO 261	Environmental Biology ¹	4
CBIO 233	Microbiology	4
CBIO 480	Research in Biology	1-4
CPSC 220	Introduction to Public Policy	3
CPSC 372	Comparative Public Policy	3
CPHI 231	Ethics & Human Values	3
CHPE 300		3
CPSY 313	Statistics I	3
CPSY 314	Statistics II	3
CPSY 385	Abnormal Psychology	3

CSCJ 308	Medical Sociology	3
CUSW 350	Issues of Health Disparities/M	3
CUSW 142		3
Morehouse College Courses
